

**Our message today is by Pastor Andy Kumpel
Barnabas: What's in a Name?**

We might think of Barnabas as the patron saint of second chances. He first comes on the scene in the Book of Acts where he introduces Paul to the other disciples. After his conversion to Christianity, Barnabas quickly becomes known as the “son of encouragement.” Barnabas is perhaps the most *practical* example of following Jesus in the New Testament. His life and ministry were never about controversial theology, but always focused on bringing the grace of Christ to those around him.

Barnabas is known for:

His _____

His _____

His _____

His _____

His _____

His _____

We can learn from Barnabas and grow as disciples of Jesus as we:

Realize our _____ by the Holy Spirit.

_____ the message of grace _____ .

Extend _____ wherever possible by giving

_____ .
