Sharing Hope

Sharing Hope are two of the most wonderful words in the world. They describe the role of every church and the joy of every Christian. They are also the theme of our capital campaign as we seek to raise money for a surgical wing at the Compassion Evangelical Hospital in Guinea and The Center here at Autumn Ridge. The purpose of these projects is to share the certain and eternal hope we have as believers. This hope is worth sharing because it is grounded in God himself. He is the God of Hope because:

He is the God of P _____

He is the God who is P _____

He is the God who is P _____

He is the God who is P _____

He is the God of P _____
