Ananias: A Disciple Who Shared Hope**

No. 3: Dynamic Discipleship

Scripture: Acts 9:1-19

Ananias was an ordinary disciple who was used in extraordinary ways. He was an obscure believer thrust into prominence by a moment of divine providence. Ananias shows us that if we are faithful in the routine of life we may find that God will call us for a task of enormous kingdom significance. Ananias teaches us two tremendous lessons about sharing hope.
