Tabitha: A Disciple Who Left a Legacy**

No. 5: Dynamic Discipleship  
Scripture: Acts 9:32-43

Tabitha, or Dorcas, was a wonderful woman (probably an elderly widow) whose story is told in a few verses in the New Testament yet who leaves us encouraged and inspired. With her needle she embroidered her name into the history of great works of kindness. As we prepare to present our pledges to the Sharing Hope campaign this week, Tabitha reminds us of the enduring contribution of a life given to God. Luke tells us five facts about this lady who loved to share hope.
